This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Tennis festival held for year groups 1-6. May of our pupils and parents attended the tennis open day at Wantage Tennis Club as a result of this event. • Dance teacher from ADS came and taught our after-school dance provision. We had 30 children attend the Oxford Festival of dance and the National qualifiers. 12 children qualified to the final. We have had a number of children join ADS as a result of having Miss Jillian in school. • Serious4sport run after school football 2 after-school sessions for year 1-6. Raising participation for all year groups for girls and boys equal opportunities. • Children in KS1 and KS2 are offered multi-sports clubs after school offering a range of sports. Children are given more choice and range of sports to try. 	<ul style="list-style-type: none"> • Staff to update plans after CPD training to share with rest of school. • Class teacher to flag any additional swimming needs for children in the class and organise additional swimming. • Coaching for tennis has taken place all year, this has offered CPD to staff as well as coaching for the children. • Dance has been well received with many children pursuing additional dance experiences outside of school. Increase in school performances. • This will continue in September • Multi-Sports have been run by TA's

<ul style="list-style-type: none"> • Girls into football initiative • Play leaders training • Sponsored circuit with athlete • Cricket coaching from Chance to shine • Dance for fun club for year groups 1-6 • Judo club • Cycling proficiency for all year 6 children 	<ul style="list-style-type: none"> • All girls from FS to year 6 had an afternoon of football to increase participation in the sport. Many girls in year 6 were keen to join the football team after this event, only 1 child was previously in a club. • Play leader training has seen at least 40 year 5 students be trained over a 6-week period by year 6 leaders. They have taught games learnt to foundation children over lunchtimes. Some year 5 children have already expressed they would like to be trainers next academic year. • All the children from nursery to year 6 took part in a sponsored event and had an inspirational talk from an athlete. Raising approx. £1700 for playground and sports equipment in school. • Children in year 5 and 6 took part in the cricket coaching each class had 1 hour per week for 6 weeks. This also included CPD training for the class teacher. The children played in the cricket competition at Challow cricket club. • The dance club for fun has been run by year 6 leaders after school once a week. They have led warm ups, choreographed and taught dances and made their own props. • Judo club for all children KS1 and KS2. Children are graded termly (3 times a year). Some children will be joining clubs outside of school. 2 children took part in the County Judo Team and qualified for the Nationals. • All the children were offered cycling proficiency training 	<ul style="list-style-type: none"> • Sign up for this incentive is annually • Play leaders have been more productive in their play when they have a bank of ideas available. • This provided lots of new equipment for the children. • The cricket offered CPD and coaching to children. This can be reapplied for every other year. • This has been well received by the younger children. They will have an opportunity to have a master class at the end of the school year with a dance teacher. • This will cease in September due to retirement. • This was well received over a 2 day course

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	36%	22 children are strong swimmers who can confidently swim over 25 metres.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	72%	44 children can swim confidently and with a range of strokes between 15-20 metres.

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>97%</p>	<p>All of our Year 6 pupils have been taught and can demonstrate safe self rescue. However, 2 out of 61 would not be able to rescue themselves despite being taught how to due to their SEND.</p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>No</p>	<p>There is not the capacity at the pool for us to do this. Some children have been able to join in with other year groups to provide top-up swimming lessons, but this is funded through curriculum expenditure.</p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>No</p>	<p>Swimming and water safety is taught by the pool swimming teachers.</p>
